Every Child Matters

Local Authority Charter

By January 2008, we will ensure that in our authority...

- We know how many disabled children live in our area and that all agencies in our area are planning services on the basis of this knowledge.
- There is a key worker service in our authority providing support to families who are accessing more than one specialist service.
- Our parent partnership service is sufficiently resourced to provide advice, information and support to parents of disabled children and young people who have been excluded from school.
- Parents and carers in our area are getting accurate and timely information and advice on the full range of services available to them and their families.
- All staff have received both disability equality training and training to ensure that they have core competencies to work with disabled children; relevant staff have received specialist training and other staff know how to contact them for information.
- Disabled children are involved in drawing up our Disability Equality Scheme and also in monitoring its effectiveness in eliminating discrimination.
- Our Children and Young People's Plan explains how we will provide specialist services and also make all universal services including extended schools and children's centres accessible to disabled children.
- Our Local Area Agreement includes targets for the level of service to be delivered to families with a disabled child.
- Disabled children and families are involved in the planning, commissioning and monitoring of services in our area, including both specialist and universal services.
